

Empowering Generations

2021 – 2022 PRESIDENT'S REPORT

Minot State GIVING DAY

IMPACTFUL GIVING DAY

MSU's BIGGEST Giving Day yet — thanks to you!

24 HOURS 1,367 DONORS

\$390,811 RAISED!

As a record-setting snowfall fell in Northwest North Dakota, records were being set at Minot State University.

On April 13, MSU alumni, students, faculty, staff, and supporters came together for a remarkable Minot State Giving Day 2022, raising a record \$390,811 from a total of 1,847 gifts in just 24 hours. The nearly 40-inches of snowfall didn't slow down the spirit of the Minot State family!

Over the course of 24 hours, gifts poured in from 44 states and three countries, impacting countless departments and projects throughout the campus community from student scholarships to academic and athletic programs.

MSU Summer Theatre raised \$19,905 from 113 donations to finish Giving Day as the top single project. The excitement surrounding the newly renovated Summer Theatre will continue as Giving Day funds will support a state-of-the-art digital sign at the iconic theater. MSU football and softball each raised over \$10,000 as football topped the athletic teams raising a record \$14,302. Giving Day proceeds will pay homage to teams of the past with green throwback jerseys.

MSU's communication sciences and disorders department raised \$10,000 from 120 donors to top the academic leaderboard. The department will purchase much-needed clinical resources including a new videostroboscopy strobe for diagnosing vocal fold disorders. Minot State's Vision Fund finished the day with just over \$9,000 in donations — a fund designed to provide flexibility for new program development, spontaneity and innovation in the classroom, and to fuel a vibrant, modern campus.

The impact from your generosity is felt every day across our campus and your support continues to empower generations at Minot State. We can't thank you enough for the success of another record-setting Giving Day!

Alumni and friends showed their support in a BIG WAY making generous, heartfelt gifts to dozens of MSU causes. Here's a recap of what you helped make possible.

MINOT
STATE
UNIVERSITY

Steven Shirley PRESIDENT

WELCOME TO THE 2021-22 MINOT STATE UNIVERSITY President's Report, and THANK YOU for all of your support and generosity during the past year resulting in the many pieces of good news found throughout this report. MSU is preparing for the start of a new academic year and students are now returning to campus — it is a wonderful time of year at Minot State! Your continuing support is helping MSU fulfill its mission as we educate future generations of business leaders, teachers, scientists, nurses, musicians, artists, broadcasters, social workers, speech pathologists, law enforcement officers, accountants, IT specialists, mathematicians, and so much more.

The past year has been transformative as we have proceeded with a number of initiatives to effectively position the campus and our students for years ahead. Many of the successes and achievements during the year are directly due to the generosity and support from many of you reading these pages. These accomplishments and highlights have included finalization of a significant renovation to MSU's Summer Theatre Amphitheater, recognition by the National Security Agency and Department of Homeland Security as a National Center of Academic Excellence in Cyber Defense for MSU's Management Information Systems program, installation of new field turf at Herb Parker Stadium for MSU's football and soccer programs, renovation underway in Hartnett Hall that will completely transform one of MSU's largest academic buildings, initiation of a new Hometown Pride Scholarship program for regional ND high school graduates, long-term extension of a major partnership with Trinity Health supporting MSU's Nursing program, and completion of a highly successful accreditation visit by the Higher Learning Commission.

MSU's fundraising efforts also reached new heights in the past year, with a number of new milestones achieved. These results are helping MSU fulfill our educational promises in so many ways. The MSU Foundation asset base is now approaching \$60 million, a five-fold increase in just over a decade. Three dozen new endowed scholarships were established this past year, bringing to 432 the total number of these important tools helping maintain educational affordability for students. In April, you helped MSU shatter the one-day annual Giving Day record with nearly \$400,000 raised. We also achieved a record in faculty/staff giving with 63% of our employees participating — this percentage has more than doubled since 2015.

These achievements are not possible without your kindness and significant support. MSU is able to continue educating students, serving the region, developing future leaders, creating new opportunities, and making a positive impact thanks to your generosity. Your gifts are supporting and educating students, ensuring facilities improvements across campus, and assisting MSU make a positive impact throughout Minot, across North Dakota, and beyond. THANK YOU!

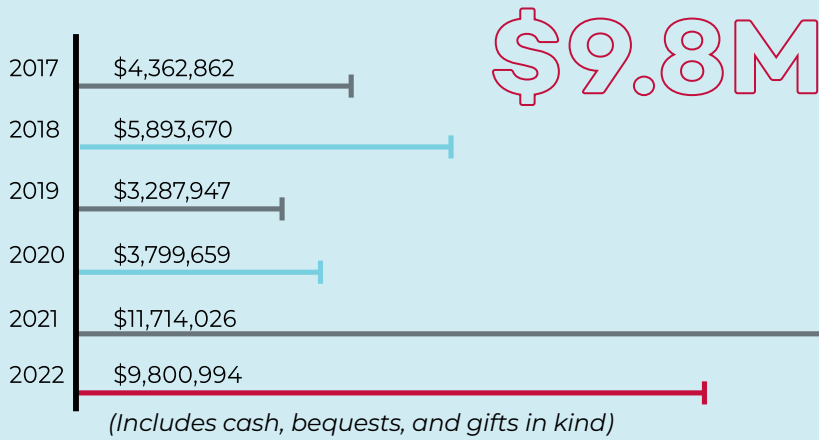

I would be remiss not expressing sentiments about the passing of two distinguished gentlemen during the past year, both of whom were long-time supporters and friends of Minot State throughout their illustrious careers — Rod Romine and Lynn Aas. These gentlemen were pillars within the MSU family and throughout the Minot community. Rod and Lynn were both recipients of MSU's Golden Award, served on the MSU Board of Regents, assisted with significant campus initiatives throughout their lives, and were regular attendees supporting our students at various cultural, artistic, and athletic events. They are missed by many of us at MSU and across Minot.

THANKS again for your ongoing support of Minot State University and our students. ■

THANK YOU and as always, GO BEAVERS!

Establishing a SCHOLARSHIP

CREATING A NAMED SCHOLARSHIP

through the Minot State University Development Foundation assists students and leaves a legacy at Minot State University. It is also a meaningful way to honor family and friends.

The first step is to determine whether you would like to establish an endowed scholarship or an annual scholarship.

ENDOWED SCHOLARSHIPS

Endowed scholarship funds are designed to be permanent and perpetual and can be created with gifts totaling a minimum amount of \$10,000 contributed in full at the outset or with an initial commitment that is added to over time until the endowment level of \$10,000 is reached. The principal of the fund is invested to produce income, and an annual award is made to a student(s). The principal remains untouched so the endowment can last into perpetuity.

ANNUAL SCHOLARSHIPS

Annual scholarships can be established with an outright gift of any amount. Unlike an endowed scholarship, an annual scholarship is not a permanent fund and is awarded only as long as you (or others) choose to contribute to the fund.

As a scholarship donor, you choose the name and the criteria. Development Foundation staff is available to help you with the process. Endowed and annual scholarships are awarded to students based upon area of interest, geographical origin, leadership potential, merit, financial need, academic achievement, or other criteria.

Typically, a selection committee carefully reviews the scholarship applications submitted by students and selects the most deserving recipient(s) based on the donor-established criteria.

Contributors of a scholarship fund are notified annually when the scholarship recipient(s) has been selected and are informed of the name, as well as the amount of the award. Recipients often write a thank you note to the donor, and in some cases the recipient(s) and donor are able to meet.

FOR MORE INFORMATION on establishing a scholarship, please contact the Development Foundation at 701-858-3890 or 1-800-777-0750 ext. 3890. ■

How an endowed scholarship works at Minot State

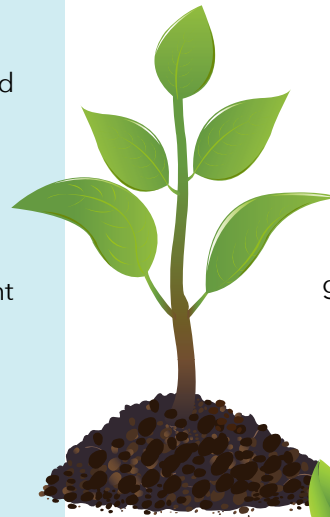

1.

An endowed fund is planted when a charitable donor, like you, provides a major gift.

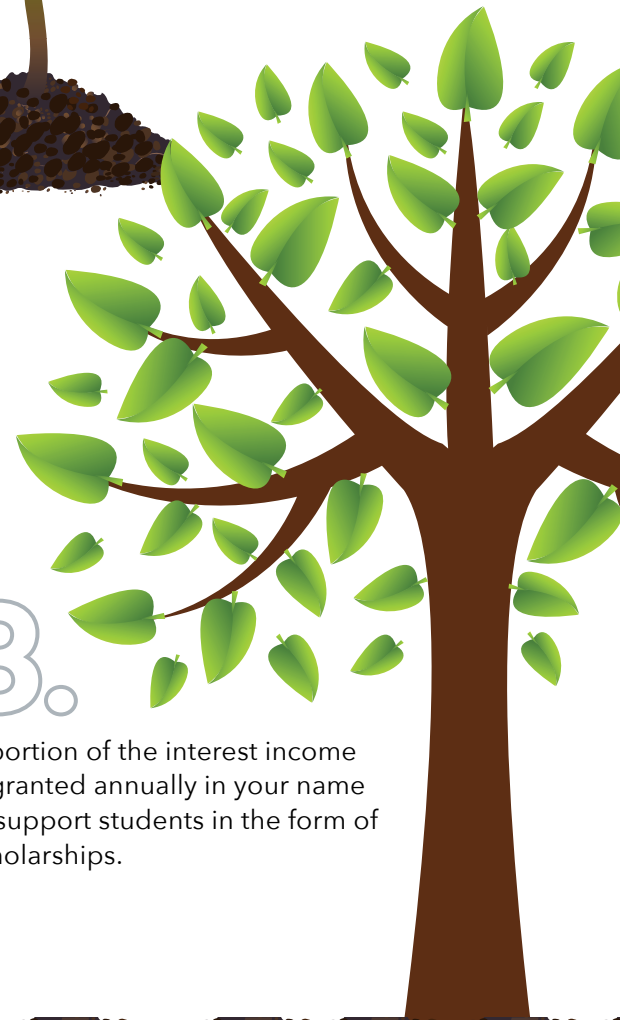

2.

Every year, the endowment grows and produces income.

3.

A portion of the interest income is granted annually in your name to support students in the form of scholarships.

John & Nicole CARLSSON

JOHN AND NICOLE (FLINK) CARLSSON KNEW THEY would eventually give back to their alma mater. It just happened a little sooner than expected.

After graduating from Minot State in 2004 with a management and marketing degree, John developed a future plan to give back to Minot State in his last will and testament.

But the plan was accelerated by the combination of hard work, the North Dakota Higher Education Challenge Grant — a program that provides a 50% match, and a desire to get involved in the community that supported them.

“I knew I wanted to give back to the place that helped us become who we are,” John said. “Originally, I figured it would be when I die. I’m a financial planner, so I plan. But the Challenge Grant made a big difference for us to establish a scholarship now. The grant took our gift and made it that much bigger.”

Nicole, a 2006 graduate in management and marketing, believes a connection to the community is a key part of the couple’s philanthropy goals.

“We really wanted to be a part of the Minot State community again,” she said. “We both were athletes. The athletic community was important to us, we loved the campus atmosphere, going to events and games.”

Their initial involvement with MSU athletics developed a unique sponsorship opportunity with the couple’s company, Pinnacle Employee Benefits.

“After talking with Rick (then Athletic Director Rick Hedberg) about the buy-a-seat program (at the Minot State Dome), there were other opportunities like buying a billboard, but I wasn’t really interested in that,” John said. “We had little kids at the time and it’s hard to go to games with little kids. You buy a ticket to the game, but can’t watch it. So, we weren’t going.

“We thought, what if there were bouncy castles or something like that, maybe we could just buy one and donate it. After going back and forth with MSU, we ended up buying a bouncy castle business and developed the Pinnacle Party Zone. It certainly was something different than what most people were doing when giving back.”

The Carlssons ended up purchasing several bouncy castles to enhance the family atmosphere at Minot State games and events. The Pinnacle Party Zone gives families of small children another reason to attend games and support the Beavers.

“For parents like us, in order to come back and cheer and watch, we needed something for the kids or we were going to stay home on Saturdays,” Nicole added.

In addition to athletic event contributions, John and Nicole have also decided to give back to Minot State students in the form of scholarships. The Carlssons earned scholarships while attending Minot State and understand the power of helping the next generation.

“I came from a big family, and we didn’t have a lot of means to go to college. Like many students, I had to rely on financial aid,” John said. “I also applied for scholarships, and one was the CP Olson Scholarship. That was very influential on me, and I knew that I was going to eventually do something like that.”

“The scholarship was important to us because we knew the impact it has on individuals,” Nicole said. “We made sure to keep (the requirements) pretty vague because we wanted more people to be able to benefit from it.”

With their current contributions to the MSU game-day environment and their scholarship, the Carlsson are supporting students now and in the future at Minot State. ■

ANNUAL AND ENDOWED SCHOLARSHIPS

Scholarships are the pathway to a dream. They are the difference between a future attained and a future that remains out of reach. More than 432 scholarships have been established by individuals, organizations, and families wishing to empower generations of students.

Kevin & Kalli BLACK

THE BLACKS DIDN'T HAVE TO EARN DEGREES from Minot State to feel like part of the community.

The North Dakota State University alumni, Kalli (Artz) and Kevin, quickly relocated back to Western North Dakota to take their careers into their own hands after graduating. Kalli, president of Artz Insurance in Westhope, grew up in the Minot area. Returning to her hometown and to her family, many of whom are MSU alumni, was a natural next step. Kevin, a founder and CEO of Creedence Energy Services, saw the Minot area — as well as Minot State graduates — as resources to build his energy company.

"As the company grew, it became quickly apparent how critical MSU was for the oil and gas industry with regard to cultivating and graduating a talented workforce," Kevin said. "At Creedence, our senior leadership team consists of two MSU graduates who are exceptional in their role and give back to the community in big ways. Our guiding principles continue to be rooted in curiosity and courage, thinking like an entrepreneur, and giving gratitude."

Such principles led the Blacks to take on yet another new project in the community they have called home for a decade: Whiskey Nine, a golf simulator bar and eatery in downtown Minot.

"As a couple, we are passionate about stimulating excitement and growth in the city of Minot," said Kalli.

"We were approached with the idea of a golf simulator bar and really felt it could be something unique that would bring a different experience to downtown Minot."

On top of their business ventures, both Kevin and Kalli serve in the University setting, Kevin previously on Minot State's Board of Regents and currently on the State Board of Higher Education, and Kalli currently on MSU's Board of Regents.

Like their professional careers, the Blacks have interests and ties to a variety of resources on the Minot State campus. Both professionally and personally, they have supported the Severson Entrepreneurship Academy, Summer Theatre, and the Hometown Pride Scholarship.

"MSU plays a vital role in the success of this community and the surrounding area as well," Kalli said. "We are honored to play a small role in contributing to the development of the University and the students who attend."

"We appreciate the fact that the holistic experience and education that MSU students receive serves as a differentiator," added Kevin. "From academics, to athletics, to student activities, we are inspired by the vision of President Shirley, Minot State, and the students." ■

Old Main Society Members — Minot

OLD MAIN SOCIETY

The Old Main Society recognizes donors who have an exceptional lifetime of giving to the Minot State University Development Foundation. This prestigious group includes the most loyal and generous of Minot State University alumni and friends whose vision and leadership enables the University to empower generations.

LEGACY SOCIETY

The Minot State University Legacy Society recognizes the thoughtful generosity of those who have made a planned gift to the MSU Development Foundation to benefit Minot State University. Membership is open to anyone making a deferred or planned gift, such as bequests, charitable trusts, charitable gift annuities, and life insurances.

Hugh & Deeann LONG

HUGH LONG '91 GRADUATED FROM MINOT STATE University with his life changed for the better.

"The early story of my life was challenging," he said, describing his work selling automobiles while raising a child with his wife, Deeann (Ressler) Long '92.

At the age of 28, weary of the competitive nature of his work, he decided to return to school and pursue a Bachelor of Arts in History and Social Science.

"Minot State elevated my quality of life significantly," he said.

The Longs have since become long-time Beaver Boosters, and he cites the special potential that Minot State's setting affords its students and community.

"There's just an affinity here," he said. "I think Minot State is uniquely positioned to make contributions in our area."

Long took his studies in history and social science back to his hometown of Williston, where he spent 20 years at Williston High School teaching history and government, as well as serving as the associate dean of student services at Williston State College.

Even after returning to Williston, Long stayed connected to Minot State, particularly with the athletics department, where he worked as a student employee while pursuing his studies.

"You know, I stayed in touch with some of the coaching staff," Long said. "I always considered Coach Leidholt (Bert Leidholt, football and track & field coach) a bit of a mentor. Somebody who you'd go to with a problem and get solid advice. Dave Hendrickson (football coach) is someone who empowered me to do good work and was always encouraging. I consider him a friend to this day. I've also been attending football games, and I've come back for basketball

games. At least once a year I come back and take a stroll on campus. It's kind of been a highlight. It's a beautiful, beautiful campus."

Both as a teacher and Minot State alumnus, Long has been committed to connecting with others and giving students opportunities to grow. Such opportunities have most recently taken shape as the Jason Two Crow Scholarship Endowment.

"Little did I know that I would land as a student-employee in the athletic department. This is where I met Jason Two Crow," Long said. "Jason was a four-year player for the Beavers in that era and saw a lot of time on the field. He was a gifted athlete. But more importantly, he was a good human being. A man of character and integrity."

Two Crow was born and raised in Parshall and is in the MSU Athletics Hall of Fame as a member of the 1992 football team. The scholarship is awarded to Native American student-athletes.

"His passing saddened me," Long said. "I know that he went back into his community and made tremendous contributions, and I know that kind of leadership will be missed in his home and region. I felt it was really important to memorialize him in this way, because it would provide Minot State with an opportunity to give us more Jason Two Crows."

Long values the positive impact Minot State has on alumni and continues to have on students. With the Jason Two Crow Scholarship Endowment, he hopes to see other Minot State students have similar opportunities to grow and make meaningful contributions to their own communities.

"When you walk out the door today," Long said, "look up at the sky and remind yourself that it's a beautiful day to be a Beaver." ■

President's Club Members — Williston

PRESIDENT'S CLUB

Since 2008, Minot State University has recognized its most generous annual donors by welcoming them into the President's Club. Membership in the President's Club is open to all donors making annual contributions totaling \$1,000 or more to any area of campus.

Brent & Carol DANKS

FOR BRENT '02 AND CAROL (SATTERTHWAITE) DANKS '93, giving back to Minot State University proved to be a simple decision: A place that continues to impact their lives still today simply needed their support.

"We have a lot of connections still, people we met going to college," said Carol.

"We just always try to give back a little bit," added Brent. "It was good to us so we just try to give back. We made lifelong friendships at Minot State and got our education there."

Carol, who works at Stanley High School, studied business administration and management at Minot State in the early 1990s, while Brent, who is a physical education teacher at Stanley Elementary School, earned a degree in education from MSU while also playing football for the Beavers.

Brent, an offensive lineman, was inducted into the Minot State Athletics Hall of Fame as a member of the Beavers' 1992 Football Team, which was honored in 2016. A great honor for Brent who played center for the Beavers, and one memorable moment tied to Minot State.

"It was really neat to be part of a group, or be mentioned as part of a group, that was such a good team not just talent-wise but people-wise," he said.

And it's being part of something bigger that has motivated the Danks to continue to support their alma mater, and not just honors they might have earned. It's about the impact of Minot State on their lives, and the potential impact the school can have in the future.

Both continue to support Minot State, in part, to connect with the school they hope to see their kids attend, as well as other family members.

The latter has already happened as their niece, Katie Dufner from Glenburn, played volleyball for two seasons for the Beavers in 2017 and 2018.

"We try to do it every year, just to keep contacts," Carol said of giving back to the school. "We have two younger kids, we send them over to summer camps. We're trying to keep in contact just in case our kids decide they want to go to school there. We think it's a great school."

"It's our regional university," added Brent. "It's easy to go to, we have a lot of ties there, and it's been particularly good to us."

A place the Danks happily give back to thanks in part because of everything Minot State has given to them which is more than just an education or athletic honors.

"All the friendships you make over the years, there still are people we've been in touch with over 30 years there," Brent said. ■

Beaver Booster Members — Stanley

BEAVER BOOSTERS

The Beaver Booster Club's mission is to secure scholarship funds to support the academic and athletic pursuits of the almost 450 student-athletes at Minot State University. Your support helps our coaches recruit the best and the brightest, while making our student-athletes' experience first class.

Dean & Sara FRANTSVOG

DEAN '97 AND SARA (CHRISTIANSON) '98 FRANTSVOG have an intergenerational relationship with Minot State.

Dean's father, Bob Frantsvog, graduated from the University's College of Business in 1972 and Sara's parents, Dennis '70 and Karen '69 Christianson, received their teaching degrees from the University.

Today, the couple's children are carrying on the family tradition. Their son, Quaid, is a junior majoring in finance, and their daughter, Cambry, is a freshman nursing student.

Dean and Sara crossed paths at Minot State before coming back as a married couple.

"Dean was a year older, and we actually had some college classes together too, but we didn't really know each other. We met after we graduated, in Minnesota, where we worked, and came back to Minot a married couple," Sara said.

Not just alumni, the Frantsvogs are also generous donors and faculty members. Dean, tenured professor of business, is going into his 19th year of teaching at the University. Sara, tenured assistant professor of nursing, is going into her seventh year.

As for their generosity outside the classroom, Dean and Sara contributed to the Dean Frantsvog Academic Success Center, named in honor of Dean's service as the Beavers Faculty Athletic Representative since 2010. Additionally, the couple established the Bob Frantsvog Memorial Scholarship for students in the College of Business in honor of Dean's father.

"The reason we give back is definitely because Minot State has given us so much," Dean said. "Both of us went to and graduated from Minot State. We were able to have careers in the field before we ever started teaching. So, while there are a number of reasons, that is the main one. We're fortunate enough to give back, too."

Sara echoed similar sentiments.

"Having the family history makes Minot State near and dear to our hearts. Also, I graduated from the nursing program, so to be a part of it now is just kind of like coming full circle," she said. "I don't remember thinking that I would come back to teach here, but after having been a nurse for 15 years, I decided it would be a great opportunity. And it was; it's the best job in the world!"

Underlying the Frantsvogs' love for teaching and Minot State is a deep appreciation and respect for the students who benefit from their donations.

"I always loved working with students when I was a nurse in the hospital," Sara said. "I look at it as an opportunity to teach the next generation of nurses."

"The students are simply wonderful. They give you a whole new perspective — they're learning, but I am learning as well," Dean said. "It makes it a joy to go to work every day. My colleagues and the College of Business are top notch. I have enjoyed it for so long, I can't imagine doing anything else. It's tough to have a bad day when you really enjoy what you're doing." ■

Terry & Gail
JOHNSON

WHEN TERRY JOHNSON '68 VISITS CAMPUS, HE LIKES TO show his wife, Gail, where he played basketball in Swain Hall.

"I played one year at Minot State, junior varsity, and then my skill level caught up to me," he laughed. "And then she will take me to these auditoriums where she played. She was the captain of the first pre-Title IX women's basketball team at the University of Georgia 53 years ago."

While their basketball stats are quite different, the couple has been on a similar trajectory since earning their Master of Business Administration degrees at the University of Georgia together.

"We finished our master's programs and were both hired by Ford Motor Company in Michigan. We were there for five years," he said. "Then I was hired by the Japanese automaker Nissan to help start manufacturing operations in the United States."

A career in the automotive industry was not on Johnson's radar when he enrolled at MSU — teaching and coaching were.

"What I remember most as a student at Minot State, was that I always felt that the people who had me in their classroom or on the basketball court or wherever, they really cared about me as a person as well as a student," he said. "And I wanted to carry that forward — and I did, but not as a teacher or a coach."

After receiving his degree in business education, he took a path similar to many of his cohorts.

"This was during Vietnam and virtually all the males that I went to school with ended up in one branch of the service or another," the retired United States Navy Commander said. "Going into the Navy, especially with the opportunity to go in

as an officer, was a good way to serve, to take care of my obligation to the country, and to see the world."

Following Officer Candidate School in Newport, Rhode Island, Johnson was commissioned as Ensign and sent for further training in Athens, Georgia in the Navy Supply Corps.

It was in Athens he met Gail.

"We met when she was a student at the University of Georgia, she was a sophomore," he said. "Then I went to sea on an aircraft carrier while Gail finished her undergraduate degree. We were married when I was still active duty."

Johnson served for five years, followed by 15 years in the Navy Reserve, and credits his time at Minot State for contributing significantly to his success.

"Minot State was an important part of my life, and I'm proud of that. And my wife, who was born and raised in Georgia, has also become quite enamored with North Dakota in general, and Minot State, Bishop Ryan, Little Flower, all of it," he said. "Minot State was excellent and obviously qualified at helping me get into an extremely competitive environment in the Navy Officer Program.

"Over the years, we have become very cognizant of the value of education. We have been very blessed and now have the opportunity to give back to a number of organizations while making plans for our estate when we are no longer around. This process has been an important and rewarding part of our life experience together and we hope fellow alumni and other MSU supporters will consider Minot State in their estate planning as well." ■
